

## Dennis Allen's Bio

**Dennis Allen** is a husband to Karen and a father to two grown children. He has served as the Chief Executive Officer in national and international enterprises spanning distribution, manufacturing and technology across electronics, software, building materials, environmental services and oil & gas. He has been a member, and served in leadership in mega, mid-sized and startup churches as an elder, deacon, teacher, board member and speaker, with emphasis on strategy and planning. Dennis was combat-rated in the US Air Force as an F-15 fighter pilot, mission commander and instructor pilot prior to his business career. He has a B.S. in Industrial Management from the University of Alabama, an MBA from Xavier University in Cincinnati, OH, and is an alumnus of the Oxford Centre for Christian Apologetics in Oxford, United Kingdom. Dennis and his wife Karen live in Reston, VA.
